GREAT PLACE
• A brand new landmark facility for the residents of northwest Dayton
• Conveniently located for walking, biking, and public transportation (RTA Routes 2 and 12)
• Plenty of on-site, well-lit parking and accessible spaces
• Expansive 30,000 sq.ft. Library to meet YOUR needs

ACCOMMODATING SPACES
• Flexible Community Room (can be divided into 2 rooms) equipped with professional-grade sound system and projectors; available for before/after-hours access
• A Conference Room (8-12 people) with 60” monitor
• Two 4-person Quads, each with 42” monitors, and a private Tutor Room
• A Tech Lab for computer classes and group training sessions
• A Quiet Reading Room, complete with a fireplace
• An outdoor patio and natural grass amphitheater
• Designated areas for Adults, Children, Tweens, and Teens

MODERN TECHNOLOGY
• Tech Studio with AV editing equipment, video equipment, and green screen
• Mobile interactive 70” flat-panel TV
• 3D Printer
• Numerous public computers, including in-Library laptop lending, iPads, and Macintosh systems, as well as AWE tables and desktops for children

OPPORTUNITY SPACE*
• Two distinct spaces—one “messy” unfinished area, one “pop in shop” style (each approx. 700 sq.ft.)
• Available for partnerships of varying lengths
• Flexible space that can serve as a training room, gallery, maker space, and more!
• Ideal setting for organizations to reach new audiences and/or pilot new programs or services in the arts, business, culture, education, health, human services, literacy, science, and technology sectors

UNIQUE AMENITIES
• Café (Operated by 3rd Perk)
• 24-hour Lobby Lockers for holds/reserves
• Meadow-themed Children’s Area featuring museum-quality interactives, children’s outdoor terrace, and gaming system for tweens
• TeenEDGE hangout with dedicated teen gaming system
• Two-sided fireplace can be enjoyed in Quiet Reading Room and Adult Lounge
• Four original art installations created by area artists
• The Longnecker-Folger Fountain from Fairview High School
